YUSHUKAN

EXHIBITION ZONES

Yusukuni Jinja offers the following four permanent collection exhibitions.

PROLOGUE ZONE

The core of the exhibition system centers around the four thematic zones, encompassing the historical, cultural, and spiritual aspects of the Yasukuni Shrine.

MODERN HISTORY ZONE

The exhibition tells the story of the struggle of the Japanese people against the rising power of the Western world, focusing on the impact of the war on Japanese society.

NOBLE SPIRITS’ SENTIMENTS ZONE

The exhibition showcases the sentiments and achievements of the Japanese people, including a variety of artifacts and memorabilia that reflect the spirit of Yasukuni.

GREAT EXHIBITION & ENTRANCE HALL

The entrance hall contains a large exhibition room that highlights the historical significance of the shrine.

The Origin of the Name, "Yushukan"

The word "Yushukan" originates from the Japanese word "Yūshiku", which means "congregation of gods" or "emergence of the gods". It was originally used to describe the gathering of warriors and samurai who had fought for the Shogunate. The name was later used for the imperial palace and the national museum.
